TABLE

Covers

Select the model:

- Table cover Paris is a fixed and fitted table cover divided into 3 types:
 - Paris Box Model: plain without any pleats or splits
 - Paris with Corner Pleats: reversed box pleat on the corners
 - Paris with Corner Splits: splits on the corners with an extra flap stitched under each split in order to hide to table legs.

- Table Cover Plisse; suitable in all fabrics mentioned here below with a 180% plisse pleat stitched to the side

- Table Cover Boxpleat; suitable in all fabrics mentioned here below with a 250% boxpleat stitched to the side

- Table Cover Carna; Stretch top with a Senator 160% Shirred stitched to the side

Table height minus 1-2 cm is cover height, in order for the cover not to touch the floor

- Table cover Lyon is a fitted table cover from Stretch which can be produced for any kind of table. In order to produce this cover we would need the table sizes (length x width x height) as well as the distance between the feet (length x width). For a visual please check below drawing.

- Cowboy is an extra cover that can be fitted on top of our Table Cover Lyon to give some extra dimension to your design.

- Table Cover Wave is a fitted table cover from Stretch with a pleat fall on the bottom, which can be produced for any kind of table.

CONFERENCE

Cloths

Evento offers many possibilities of personalising your cloths and covers. For our Senator Single Sided and Double Sided we offer embroidery options. Depending on the design of the logo we can embroider up to 100 cm in length or height. For our other fabrics we have embroidery and transfer applications available in any size or colour as required by the client. All these options are without any minimum quantity.

Please find below some of our finished projects.

- Table height minus 1-2 cm is cloth height, in order for the cloth not to touch the floor
- Select the model:
 - Stretch cover Lyon is a fitted conference table cover from Stretch which can be produced for any kind of table. We provide our clients with the option for a 3 sided covered model or completely closed on all 4 sides.
 - Conference cover Monaco is a fixed and fitted conference cover with splits on the 2 front corners and extra flaps stitched under each split in order to hide the table legs. The cover falls down to floor level from 3 sides and the backside (seating area) has a drop of 15 cm along with 15 cm side panels so that seat comfort is guaranteed and the back table legs are not seen.
 - Conference cloth Washington is a rectangular piece of cloth with rounded corners on the front side to prevent floor touch and falls down to floor level from 3 sides of the table. The backside (seating area) has a drop of 15 cm so that seat comfort is guaranteed.
 - Conference cover London is a fixed and fitted conference cover with splits on the 2 front corners and extra flaps stitched under each split in order to hide the table legs. The cover falls down to floor level from 3 sides and the backside (seating area) has a drop of 15 cm so that seat comfort is guaranteed.
