

# Andreams Collection™

The ANDREAMS COLLECTION™ is an unbreakable, high impact polycarbonate line of drinkware designed and made in Europe using the very best FDA approved TARFLON® Polymer. Manufactured using the finest German machinery, this elegant, crystal clear drinkware will not chip or break making it extremely safe and durable. The unique design of the tumblers allows them to nest inside one another for easy stacking, storage and handling. Environmentally friendly, The ANDREAMS COLLECTION™ is dishwasher and microwave safe and can be safely chilled in the freezer. It is an excellent choice for use at Home or Business and its durable construction and attractive design make it ideal for use by hotels and restaurants; pool areas and outdoor sporting events; boats and RV vehicles and just about everywhere safety is important and a cool drink is enjoyed.

- Extremely clear like real glass – no artificial coloring used
- Unbreakable and scratch resistant
- Stain resistant
- Reduced liability issues where safety is an issue and use of glass is restricted
- Safe and convenient for children, handicapped and those requiring assisted living
- Tumblers are stackable for easy delivery, storage and handling
- Excellent for all outdoor activities – parties and weddings, swimming pools, barbecues, sporting events, picnics and much more
- Dishwasher, microwave and freezer safe
- Environmentally friendly – Recyclable green product 
- Cost effective
- Designed and manufactured in Europe
