# THE COMPANY

Intermetal Ltd. is part of Harwal Group, an intuitive, innovative and agile management holding with diverse manufacturing companies in the United States, Europe, the Middle East and the former Soviet Union. The technological and manufacturing capabilities of the Group are evident by the wide product range and volumes that are produced by the Group companies. With an annual conversion capacity of over 200,000 metric tons of plastic and 20,000 tons of aluminium and steel, the Group is at the forefront of its respective industries.

Intermetal has been designing and manufacturing quality furniture since 1992 to leading hotels, restaurants, coffee shops, cafés, bistros and fast food outlets. Customers have come to rely on us for their projects as they can be assured that they are dealing with a company with many years of experience in the furniture market. As a specified supplier to many prestigious clients worldwide, the company's reputation has been built on our determination to ensure that each and every one of our customers is completely satisfied with our service and by manufacturing quality and resilient products.

The comprehensive furniture collection manufactured is suitable for both indoor and outdoor contract use and consists of chairs, tables, banquette seating, bar stools, tub chairs, armchairs, side chairs, lounge seating, table tops and table bases. Our product line features contemporary designs as well as updated classics that are available in an array of materials that include wood, plastic and aluminium.

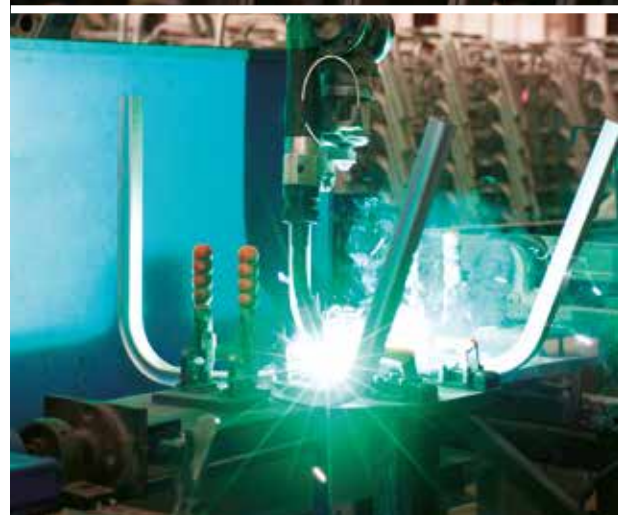

At Intermetal, a highly experienced in-house design team is constantly exploring new shapes, finishes and manufacturing methods to create innovative and flexible furniture solutions that make a lasting impression and that meet the market requirements. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to manufacture furniture that exceeds our customers' expectations.

Intermetal's state-of-the-art manufacturing facility covers over 40,000 m<sup>2</sup> and is fully equipped with CNC Bending and Routing Machines, Robotized Welding, Powder Coating and Chrome Plating Lines, Advanced Woodworking and Upholstery. With the ability to monitor all areas of production, Intermetal can guarantee timely deliveries, quality and durability.

As an ISO 9001:2008 Certified Company, management's commitment to innovation, development and sustainability has placed Intermetal at the forefront. Our finished products speak for themselves and reflect Intermetal's commitment to excellence.
