DESIGN

Inspired Design

We like to experience cram and sample as much as we can from the vast array of choices available to us. Fast, casual food provides these experiences in spades. Continually fresh ideas and innovation promote an ever-changing approach to new combinations of tastes, textures and presentation.

LiV was inspired by the energy and creativity surrounding ‘Streetfood’. A melting-pot of cultures, attitudes and flavours, Streetfood is the culinary engine which is driving new inspiration in fast casual cuisine.

LiV provides the perfect vehicle to present and promote these values in a restaurant environment. Edgy, fun, casual, creative, streetwise, metropolitan, sharp. “A little bit Retro!”, LiV encourages Chef to experiment with new flavour combinations and presentation ideas whilst providing an ideal, easy to work with range, that showcases Chef’s skill and craftsmanship to creative effect.

Craft™

Craft is inspired by hand-crafted, simple county wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln.

The gem-like glazes married to simple forms and shapes produce a unique and individual appearance, giving Craft a rustic "joie de vivre".

Teapots, sugar, cream and saucers are now available in all colours.

INSPIRATIONAL
DESIGN

Inspired Design

Craft White has been specifically developed to enhance the colour values and tones of food to make dishes even more appealing and perceptibly more flavourful.

The rich neutral colour provides a deep contrasting platform, which works as a natural base to bring out the best in quality food presentation.

Each piece of Craft White is individually hand decorated, so no two pieces will be the same. Further magic happens in the kiln as the glaze reacts to produce beautiful and random textured effects.

Craft White works beautifully on its own, or can be co-ordinated with any of the complementary colours in the Craft range.
