INTERNATIONAL

Shatter your perceptions of glass.

What if your glassware didn't break? What if it didn't crack? And what if that glassware was guaranteed for life*? Drinique drinkware is made from extraordinary Tritan™ Copolyester, even at 500 trips through a dishwasher this revolutionary material stays clear. Stack them without sticking, wash them without cracking, and even drop them without breaking; no matter the distress they continue looking good. All Drinique glasses are BPA free and proudly made in the USA.

*LIFETIME BREAKAGE GUARANTEE

If any piece of Drinique drinkware ever breaks, cracks, or shatters under normal use, Drinique will replace that product free of charge, upon customer returning the product at their expense.
