Craft

CraftTM

Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln.

The gem-like glazes married to simple forms and shapes produce a unique and individual appearance, giving Craft a rustic "joie de vivre".

Craft the original and arguably the best.

Inspired Design

Craft has been specifically developed to enhance the colour values and tones of food to make dishes even more appealing and perceptibly more flavourful.

The rich neutral colour provides a deep contrasting platform, which works as a natural base to bring out the best in quality food presentation.

Each piece of Craft is individually hand decorated, so no two pieces will be the same. Further magic happens in the kiln as the glaze reacts to produce beautiful and random textured effects.
